

Environmental Sustainability Award

This award recognises and encourages those companies who are not only managing their environmental impacts to a high standard, but are also seeking to build upon current practices and make further improvements. Proudly sponsored by Sustainable Green Print.

CRITERIA:

- Nominations will be accepted for companies of any size
- Nominees must not be under receivership or any other form of business restriction.
- All questions must be answered to be considered for judging. .

Please note: No entry fee is required for this award. Complete one entry form for each entry. Entries close 5pm AEDT, Monday 21st March, 2022.

Visual Industries Events will contact you if your nomination is a finalist in your State Print Industry Creativity Awards. The winner will be announced at your local PICA Presentation.

Please provide a brief overview of the nominated business, including the primary type of customer and product markets they serve (up to 500 words):

Explain where sustainability fits into the organisational culture, and how the business' staff and clients are engaged (up to 500 words):

Describe the company's environmental performance and the management systems the business operates to be an industry leader. Where possible, include graphs, diagrams and/or photos please attach these to your email. Discuss in terms of the following categories:

INITIATIVES: Describe any environmental initiatives the business has in place that go beyond statutory requirements (eg, recycling; energy efficiencies; waste water saving devices; environment-focussed customer communications; product stewardship, etc) and explain how each of the initiatives helped minimise overall environmental impact.

Please include: - who has been responsible for implementing these changes, including any external resources or consultants - discuss how information like this is communicated to your staff, and - where possible, provide quantitative and qualitative results of these initiatives.

ACHIEVEMENTS: give details of any targets / achievements the business has met or exceeded over the past 12 months (eg. minimising energy consumption by 50% through the installation of eco-efficient light globes)

CONTINUOUS IMPROVEMENT: Outline any goals and objectives in place which demonstrate the business' commitment to continuous environmental improvement. Explain how this is communicated to staff (eg. Environmental Policy).
